It's Halloween! Many children with their great costumes on gathered at the Kaihin Makuhari school.

All of us "trick or treated" through Baytown and the children played games and took pictures at the park.

After that we had a costume contest. There were so many great costumes! For us teachers and staff, it was tough to choose the best costume.

Everyone had a great time and I am very thankful to everyone for helping to make this Halloween parade fantastic!! Thank you very much!!

It was very exciting to see many children dressed up in their favorite costumes at the Frontier Halloween Parade on October 27, 2013. The children marched around Makuhari bay town and visited some shops for trick-or-treating.

They looked so happy when they received their candies and snacks. After trick-or-treating, we gathered at a park and enjoyed playing Halloween games! It was so nice to see smiles on the children's faces.

Halloween this year was great fun! Before the students arrived, we covered the school in spider webs, fake spiders, and Halloween decorations, making it look like a Haunted House! The children arrived and gathered outside. After we chatted and looked at each other's costumes, we began the Halloween parade around Kaihim Makuhari. At various points along the parade route, we could do Trick or Treat with shop owners and teachers.

I was dressed as a zombie. It was fun to walk around Makuhari in costume with a big group of monsters behind me! Our parade finished at a park near Valentine Street. There, the teachers of Frontier English School ran a series of fun games, like the three-legged race, candy-bite, ball and cups, egg-and-spoon race, etc. There was even a competition for the best costumes, with prizes going to both children and parents!

I hope you will all be able to join us for the next parade, in October 2014!
